

2026 Term 2 Progress Report **Zanolwazi Preschool**

Principal: Deliwe Siena Mgwadlanyana
18 children enrolled

This term we used ACE funds to buy paint brushes for the children and ride-on toys for the outdoor play area, and to pay teacher's salaries. We also bought two aluminium windows, which haven't been installed yet.

We're still facing some infrastructure challenges, and we need to fence the yard and playground.

Ride-on toys

Concert at Masifunde Library

It's been a lively term for parent and community involvement. Last Friday we held a concert at the Masifunde Library in White Location, with some parents attending alongside other creches from the community. It turned out to be a very successful event.

Sports Day

We also held a sports day and went on a "spring walk" picking up rubbish around the area, as well as celebrated Heritage Day with the children dressed in their traditional attire.

Heritage Day

Learning Numeracy

Looking ahead to next term, our plan is to finish the windows and continue improving the school's infrastructure.
